

OFFSHORE WIND GROUP MEMBERSHIP

The ENERGY ENGINEERING **OFFSHORE WIND GROUP** membership package includes subscriptions to our magazines and e-newsletters plus marketing support to assist in maximising business and supply chain opportunities from the sector.

As a member of our OFFSHORE WIND GROUP you will receive:-

- a 12 month subscription to our OFFSHORE WIND ENGINEERING special editions (four issues)
- a 12 month subscription to ENERGY ENGINEERING magazine (six issues)
- a copy of our 2011 OFFSHORE WIND DIRECTORY
- a monthly OFFSHORE WIND GROUP e-newsletter
- inclusion in our 2011 "working with offshore wind" survey
- enhanced online listing in the offshore wind suppliers section of our website
- a full page A4 profile in our 2011 OFFSHORE WIND DIRECTORY, published in October as a print and online edition
- advice and assistance on getting your news and feature articles in ENERGY ENGINEERING magazine and OFFSHORE WIND ENGINEERING special editions and in our website news and features section
- offshore wind alerts service with discounts for conferences, publications and reports
- use of the ENERGY ENGINEERING **OFFSHORE WIND GROUP** logo on your promotional material and website.

OFFSHORE WIND GROUP **ANNUAL MEMBERSHIP INCLUDING** all the benefits outlined above costs just **£495**.

To sign up for membership, just fill out the form below and return it via post, fax or email. We will then send you an invoice by return with your welcome pack.
